

Sports Law Group

Services in the Football Industry

Hammonds

The Sports Law Group at Hammonds offers market leading experience and expertise in the legal, commercial and regulatory issues affecting the football industry. We are a young and dynamic team; we move at the pace of the client, or faster, and deliver concise, clear advice, on time and on budget.

We are rated as one of the leading European Sports Law practices and have particular expertise and reputation for our work in the football industry. We have on tap the breadth of expertise necessary to guide clients through the applicable laws and sport specific regulations. We act for national and international governing bodies, leading clubs, kit manufacturers, sports marketing agencies, brand name sponsors and individual players. Our involvement at the cutting edge of the issues in sport means we provide advice that is ahead of the competition on demand. We are there when you need us, always on hand to give advice ranging from a simple informal opinion or agreement to litigation lasting several years.

We develop longstanding partnerships with our clients to assist them develop and protect their sporting and commercial opportunities. We always work hard to increase their options and revenues and improve their position, offering real value for money on legal fees. No one is better able to offer advice and assistance to the football industry.

Our sports law expertise is complemented by our expertise in related areas such as media, advertising, gambling, tax and corporate finance.

“There is no doubting the admirable sports expertise on offer across regulatory, contentious and commercial sports law”
