

Executive Master of Business Administration (EMBA) at Leeds Business School

EXECUTIVE MBA: AN OVERVIEW

The Executive MBA at Leeds Business School is designed to give you the most exciting, innovative and challenging learning experience you will ever have.

Your experience on the course will help to develop your managerial style and transform you into a strategic thinker, helping you to prepare you for the uncertain global environment which we now face in business. When you leave Leeds Business School you will feel confident in applying and using theory in a practical way. The time spent on our Executive MBA will expand your knowledge with cornerstone management theories that allow you to specialise within your chosen sector. Our Executive MBA will equip you for the challenges you will face in the future.

The course is ideal for professionals with two or more years' business experience.

KEY FEATURES

Global First

Global First - the Leeds Business School EMBA is the only MBA in the world that has triple recognition from the Chartered Management Institute (CMI). This not only recognises the high quality of our programmes but how it equips you with the knowledge and skills to address critical management issues faced by organisations in this demanding business environment.

Competitive Fees

We pride ourselves on competitive fees in comparison with other MBA providers. We also offer a 10% discount for Leeds Metropolitan University alumni.

Learn in the Heart of the City

Our Executive MBA is delivered at the multi award-winning Rose Bowl in the heart of Leeds city centre. Opened in May 2009, this is the UK's newest purpose-built business school.

Links with Employers

We work closely with businesses and the professions to ensure the relevance of our programmes. Executive MBA students have access to a range of guest lectures and events, which are offered free of charge to enhance their learning experience. This year these have included speakers such as Angela Knight, Chief Executive of the British Bankers' Association.

Interactive Learning

Students on the Executive MBA learn through case studies, group projects and organisational-based learning, allowing them to deepen their understanding of business issues.

Flexibility

The Executive MBA is available either full-time or part-time. You can select subjects that suit your needs and career aspirations such as Entrepreneurship, Corporate Governance and Logistics & Supply Chain Management.
